

VIRGINIA CLUB *of* NEW YORK

Dear Prospective Member,

Thank you for your interest in the Virginia Club of New York, in residence at the Yale Club of New York City!

The Virginia Club of New York, informally in existence since the late 1830s, found residence at the Yale Club in the spring of 1995. Since then, UVA alumni have possessed a home away from home, a 22-story clubhouse located on the corner of 44th Street and Vanderbilt Avenue, in the heart of Manhattan and conveniently located next to Grand Central Terminal. The Yale Club is the largest college-affiliated clubhouse in the world, serving nearly 11,000 members with the finest facilities, a friendly and attentive staff, and a sense of camaraderie you won't find anywhere else.

Inside the Clubhouse, you will find:

- 138 comfortably decorated guestrooms and suites
- A newly-renovated athletic facility consisting of three international squash courts, cardio machines, a weight room, a variety of classes and a pool
- Three dining rooms, a rooftop terrace, and two bars
- Banquet and catering facilities for events from 10 to 300 people
- A 50,000-volume reference library and workspace
- A presidential Main Lounge perfect for meeting guests or enjoying a complimentary coffee

Outside of the Club, our members gain access to reciprocal arrangements with over 100 prestigious clubs throughout the world. Other member benefits include access to the Virginia Club and Yale Club's event slate, with offerings spanning from networking opportunities and spirited game watches to unique New York City experiences.

If you have further questions regarding membership or would like to schedule a tour, please visit our website at www.uvanyc.org or contact the Virginia Club of New York office.

We look forward to welcoming you to the Clubhouse!

JOINING THE CLUB

Who may join? All UVA graduates (college or graduate school) may join the Club. Graduates of Yale, Dartmouth, and Delta Kappa Epsilon Fraternity (regardless of school) are also able to join the Club. Non-alumni may apply to join as an Associate Member; however, the process is more complex.

Can my spouse/partner join? Yes - members may request membership for their spouse or domestic partner (regardless of school attended) for \$337.51 per year and a one-time \$337.51 spousal initiation fee. This membership gives the spouse or domestic partner a separate account number and access to the Club regardless of whether the member is present. Other family members cannot be added to membership, but are welcome to visit as guests.

How do I join? To join, contact uvanyc@uvanyc.org for the application form. Letters of reference are not required. Prospective members will be contacted to submit a headshot, as well as an initial payment consisting of their first month's dues, first month's UVA assessment fee, COVID assessment fee back-dated to March 1, 2022, and initiation fee. After payment submission, memberships will be activated within one week.

BILLING FACTS AND TERMINOLOGY (Dues Schedule on Next Page)

Yale Club Dues: Monthly dues are based on undergraduate class year, regardless of the university attended, and proximity of the applicant's home or work residence to the Club. For example, if the applicant graduated from college in 2012 and then went to UVA for graduate school and graduated in 2015, the applicant would be placed into the 2012 membership category. If an applicant works or lives in New York City, they would be considered a Resident. The address that is closer to the Clubhouse is used to figure the membership category.

UVA Assessment: This fee goes directly to the Virginia Club of New York.

One-Time Initiation Fee: Equal to twelve months of Yale Club dues.

Other Charges: All members are automatically charged **\$15.00 per month** for the **Capital Contribution** campaign. The money collected goes to maintaining the historic Yale Club building. This charge is **fully optional** and can be opted-out of at any time by emailing uvanyc@uvanyc.org or calling the Finance Department at **212-716-2116**.

All rates listed in this packet are inclusive of 8.875% New York State sales tax where applicable.

There is no tipping at the Club. 18% gratuity is added to all food and beverage bills.

Use of the Athletic Facilities is an additional charge and must be opted-in to (see last page of the packet).

Discounts: Class of 2022 undergraduates will receive a waived initiation fee through December 31, 2022. Current full-time graduate students receive a significantly reduced initiation fee, as well as roughly 50% off their respective dues category (see the corresponding dues schedule).

Paying Your Bill: The current month's dues and assessments, along with any house charges from the previous month, are billed on the first of each month. Payment may be made on the Yale Club internal site with a credit card or bank transfer, over the phone, or by check. Autobilling is available. Failure to pay monthly bills will result in a \$25.00 late fee per month and an additional charge of 1.5% of your overdue balance.
